

5.4—STUDENT TRANSFERS

The Fayetteville District shall review and accept or reject requests for transfers, both into and out of the district, on a case by case basis.

Any student transferring from a school accredited by the Department of Education to a school in this district shall be placed into the same grade the student would have been in had the student remained at the former school.

Any student transferring from home school or a school that is not accredited by the Department of Education to a District school shall be evaluated by District staff to determine the student's appropriate grade placement.

The Board of Education reserves the right, after a hearing before the Board, not to allow any person who has been expelled from another district to enroll as a student until the time of the person's expulsion has expired.

Except as otherwise required or permitted by law, the responsibility for transportation of any nonresident student admitted to a school in this District shall be done by the student or the student's parents. The District and the resident district may enter into a written agreement with the student or student's parents to provide transportation to or from the District, or both.
