

## Study Group Documentation

To receive full credit, your group must contain no more than 4 members (all FHS physics students), each must be present at 80% of the meetings. You must meet at least once a week for a minimum of 1 hour of study time. Meetings of less than 30 minutes are not long enough. Your parent or parents must sign off on the back, vouching for your document. Partial credit may be awarded if you attempt, but do not meet all of these requirements.
