Fayetteville Board of Education

Minutes of the June 26, 2008 Regular Meeting

The meeting convened at 5:00PM in the Adams Leadership Center with President Steve Percival presiding. The Pledge of Allegiance was led by students from Vandergriff Elementary School.

Roll Call

The roll was called and board members Tim Kring, Howard Hamilton, Steve Percival, Susan Heil and Tim Hudson were present.

Recognition

Board member Tim Hudson was inducted into the Superintendent's Honor Roll for his work in chairing the Future of FHS Select Committee II.

The Fayetteville School District's 2006-07 Annual Report was honored by the National School Public Relations Association with an Award of Merit. The award marks the third time in the last five years that the district's annual report has been recognized nationally.

Consent Agenda

Howard Hamilton made a motion to approve the consent agenda. Tim Kring seconded the motion, which passed by a 5-0 vote.

Executive Session

The Board convened in executive session at 5:10PM to discuss a resignation. The Board reconvened in open session at 5:14PM. Board president Steve Percival announced that board member John Delap has resigned effective July 1, 2008. Howard Hamilton made a motion to accept the resignation. Susan Heil seconded the motion, which passed by a 5-0 vote. Mr. Percival noted that the Board has thirty days from the effective date of resignation to appoint a new board member. Anyone who is interested in filling the vacant board position should send a letter of interest with qualifications to Mr. Percival at the district administration address. The person will fill the board seat until the September 16th school election.

University of Arkansas Counteroffer

Dr. Lisa Morstad, chief financial officer, reported that Dr. New and she met with Dr. Gearhart and Dr. Pederson from the University of Arkansas on June 23rd. During that meeting, it was confirmed that \$50 million is the University's firm offer. Terms and options such as leasing, bonding/financing options, timing and legal issues were also discussed. Dr. Morstad added that administration recommends continuing negotiations with the University to specify variables such as scope of project, location, millage campaign and timeline. Tim Hudson made a motion to postpone action regarding the University of Arkansas offer until more information is received. Susan Heil seconded the motion, which passed by a 5-0 vote.

June 26, 2008 Board Minutes

Dr. Bobby New, superintendent, reported that Campus Building Group, LLC (CBG) has offered an option to purchase approximately forty acres known as Fayetteville High School, administration buildings, and the sports facilities for \$60 million with terms and conditions of the contract to be approved by the Fayetteville Board of Education. This option commences on June 26, 2008 and expires in ninety days. Rudy Moore, Jr., school district attorney, explained that this is an option which gives CBG the exclusive right for a set period of time to purchase the property at a particular price under terms and conditions agreed upon by the Board of Education. CBG is not obligated to purchase the property; it is simply an option to purchase. If a contract is negotiated, they may exercise their option to buy with the ninety day period. Mr. Moore added that if the option is signed, the district could continue negotiations with other parties, but the district could not sell the property within the ninety day period. David Fisher, the attorney representing CBG, reported that the plan is to use the property for upscale student housing and commercial and retail activities.

Greenland Consolidation

Dr. Randy Willison, associate superintendent for operations, requested approval of a resolution supporting Greenland School District's efforts to avoid annexation and/or consolidation and continue operation as an independent school district. He also reported that the district administration will make a presentation to the State Board of Education at the hearing on July 14th. On that date the State Board will make a decision whether to annex or consolidate Greenland School District and, if so, to what school district. Tim Kring made the motion for district administration to prepare their presentation for distribution to each State Department of Education member as soon as the information packet is received from the Arkansas Department of Education. Susan Heil seconded the motion, which passed by a 5-0 vote. Tim Kring made a motion to approve the resolution to support Greenland Schools in their appeal to avoid annexation or consolidation. Susan Heil seconded the motion, which passed by a 5-0 vote.

Student Handbook Approval

Ms. Ginny Wiseman, associate superintendent for administration, reported that minor changes to Policies 5.17 (student discipline), 5.25 (gangs and gang activity) and 5.37 (emergency drills), need to be approved before the student handbooks can be approved. Tim Hudson made a motion to approve the changes to Policy 5.17. Tim Kring seconded the motion, which passed by a 5-0 vote. Howard Hamilton made a motion to approve the changes to Policy 5.26. Tim Kring seconded the motion, which passed by a 5-0 vote. Tim Hudson made a motion to approve the changes to Policy 5.37. Susan Heil seconded the motion, which passed by a 5-0 vote. Howard Hamilton made a motion to approve the 2008-09 elementary and secondary student handbooks. Tim Kring seconded the motion, which was approved by a 5-0 vote.

2008-09 District Budget

Dr. Lisa Morstad presented the 2008-09 district budget. She noted that a 2% raise for classified and certified staff is

included in the expenditures for salary and fringe benefits and that both PPCs approved the proposed raise. Dr. Morstad also noted that she would like to revisit the proposed 2% raise after the outcome of the hearing regarding Greenland due to the potential for a significant financial impact on the district. Howard Hamilton made a motion to approve the proposed 2008-09 district budget. Tim Hudson seconded the motion, which was approved by a 5-0 vote.

2009-10 Proposed District Budget

Dr. Morstad presented the proposed 2009-10 district budget. This budget must be approved sixty days before the September 2008 millage election. Howard Hamilton made a motion to approve the 2009-10 proposed district budget. Tim Kring seconded the motion, which passed by a 5-0 vote.

Butterfield QZAB

Ms. Susan Norton, chief information officer, asked for approval to apply for QZAB funding for Butterfield Trail Elementary school, which is last qualifying school. The money will be used for multi-media equipment, computers and software. Howard Hamilton made a motion to approve the application for Qualified Zone Academy Bonds to the Arkansas Department of Education in the maximum amount of \$125,000. Tim Hudson seconded the motion, which passed by a 5-0 vote.

Tim Kring made a motion to authorize Stephens, Inc. to file an application with the State Board of Education to issue second lien bonds in the maximum amount of \$125,000 for the purpose of renovating and providing technology equipment upgrades to existing school facilities with Qualified Zone Academy Bonds. Howard Hamilton seconded the motion, which passed by a 5-0 vote.

Grievance Request

Board president Steve Percival presented information regarding a request from an employee for the Board to hear a grievance. The grievance involves two issues. The first issue is whether or not the building principal has the right to assign rooms in his/her building as he/she sees fit. The second issue is whether or not Room 1002 at Fayetteville High School falls within the minimum standards set forth in the Arkansas School Facilities Manual. Mr. Percival asked the Board to decide if the issues are grievable within the guidelines of policy 4102. Regarding issue #1, Greg Mones represented administration and stated that room assignment by the principal does not fall within the conditions of a grievable matter under policy 4102. Diane Adams, the grievant, stated that she believed that the reduction in space for the art department was a violation of past policies at FHS. Susan Heil made a motion not to allow the issue of room assignments by the principal as a grievable issue. Howard Hamilton seconded the motion, which passed by a 3-2 vote.

Susan Heil made a motion that the second issue regarding the square footage of room 1002 is a grievable matter. Howard Hamilton seconded the motion, which passed by a 5-0 vote. The board considered the option of making a decision regarding issue #2 based on the written record that was submitted by both parties. Diane Adams, the grievant, agreed to this option. Dr. New, representing administration, objected to this option and asked that the

Board hear the case either tonight or at another specified time. Since administration objected to the Board making a decision based on the written record, both parties presented information as to whether or not Room 1002 at FHS falls within the minimum standards set forth by the Arkansas School Facilities Manual. After hearing from both parties, Tim Kring made the motion to deny the grievance. Susan Heil seconded the motion, which passed by a 5-0 vote.

Communication Strategy Update

Ms. Susan Norton reported on the results of the parent survey conducted earlier this year. The purpose of the survey was to learn which school issues were of primary interest to parents and the communication media they prefer. Ms. Norton also presented the new district website, which has been in development since February. She thanked development team members Chuck Baxter, Aimee Papazian, Patty Plummer and Jake Porter.

Superintendent Search

Board president Steve Percival reported that he has received information from the following search firms: Hazard, Young, Attea & Assoc., McPherson & Jacobsen, and Ray & Assoc. The Board agreed to invite all three firms to make presentations to the Board.

Board member Tim Kring distributed information regarding the School Within a School program at Fayetteville High School.

Adjournment

The meeting was adjourned at 8:06PM.

REAL ESTATE CONTRACT
(Offer and Acceptance)

The Board of Education of Fayetteville School District No. 1 ("Buyer"), by and through its President, Steve Percival, makes the following offer to BLB HOLDINGS, LLC, an Arkansas limited liability company ("Seller").

1. Buyer offers to purchase the following described property situated in Washington County, Arkansas, subject to and on the terms and conditions set forth hereinafter:

Legal Description: See Exhibit "A" attached hereto.

2. The Buyer will pay the total sum of Six Hundred Thousand Dollars (\$600,000.00) for the property in cash at closing. Buyer and Seller shall share equally the Closing Agent's fee. Seller will pay recording fees for any release deeds and Buyer will pay the recording fee for the general warranty deed, the form of which is to be mutually agreeable to the parties. Seller will provide the general warranty deed and Closing Agent will prepare any other closing documents required by Buyer at closing. Seller hereby authorizes the Closing Agent to prepare any release deeds, affidavits or other documents required to be executed by Seller at closing.

3. Conveyance shall be made to Buyer, or as directed by Buyer, by general warranty deed, subject to recorded restrictions and easements, if any, which, in the Buyer's sole discretion, do not materially affect the merchantability of the property or Buyer's intended use of the property. Seller shall also execute at closing an affidavit stating in substance that the property is not subject to adverse possession claims and

that no work or materials have been performed on the property within one hundred and thirty (130) days of closing for which a lien might be asserted.

4. Seller shall furnish Buyer an owner's policy of title insurance in the amount of the purchase price reflecting merchantable title satisfactory to Buyer's attorney and issued by Bronson Abstract Company, Fayetteville, Arkansas. Seller and Buyer agree to split equally the cost of the title insurance. If objections are made to Seller's title as reflected by requirements or exceptions to the commitment to furnish title insurance, Seller shall have a reasonable time, not to exceed thirty (30) days from the date of Buyer's notification of such objections, to cure such defects to Buyer's satisfaction.

5. General property taxes and special assessments due on or before the closing date shall be paid by Seller. General taxes and special assessments for the year in which the closing occurs shall be prorated as of the closing date based upon the previous year's tax statement unless a reassessment or millage increase or decrease has occurred for the year in which closing occurs, in which case prorations shall be based upon the reassessed value including any increase or decrease in millage.

6. Seller represents to Buyer that Seller has full power and authority to execute this Real Estate Contract and that there are no options, rights of first refusal or contracts, written or oral, for the sale of the property or which otherwise would affect Seller's obligations hereunder. Seller and Buyer acknowledge that the subject property is encumbered by a lien, or liens, including, but not limited to, a lien in favor of the Federal Deposit Insurance Corporation, Receiver for ANB Financial, N.A., and that same shall be released at time of closing of this transaction.

7. The closing date shall be on or before August 15, 2008 at a time and place established by Buyer. Buyer may extend the closing date beyond such time if necessary to complete the title requirements, inspections or review and approval or any federal, state, county or municipal agencies. Possession shall be delivered to Buyer upon closing.

8. Buyer will inspect the property prior to closing and is not relying upon any warranties, representations or statements of Seller. To the best of Seller's knowledge and belief, the property is free from environmental hazards, substances or conditions.

9. Seller covenants that if a broker had been involved in this real estate contract, Seller will pay any commission owed.

10. It is agreed and understood that Steve Percival, President, Board of Education of Fayetteville School District No. 1, is authorized to execute this contract on behalf of Buyer but that all terms and conditions set out herein are subject to final approval by Buyer's Board of Education.

11. This Real Estate Contract contains the entire agreement of the parties and may not be changed, modified or amended except by instrument in writing signed by both parties. There are no agreements or representations, written or oral, with respect to the subject matter of this contract which are not contained herein.

12. This offer expires if not accepted by 5:00pm July 17, 2008.
