## **Jefferson Right of First Refusal Contract**

**TO:** Board of Education

**FROM:** Randy Willison

I will present the Right of First Refusal Agreement for Board approval. Rudy Moore, Jr., attorney for the school district, has reviewed the contract.

## RIGHT OF FIRST REFUSAL AGREEMENT

AGREEMENT made and dated the \_\_\_\_\_ day of April, 2007, between Fayetteville School District No. 1, Grantor, and Jefferson Center for Arts and Education, Inc., Grantee.

In consideration of the payment of One Hundred Dollars (\$100.00) by Grantee to Grantor, the receipt of which is hereby acknowledged, by check subject to collection, the parties agree as follows:

1. Right of First Refusal. Grantor grants to Grantee a right of first refusal for the purchase of the real property located in the City of Fayetteville, Washington County, State of Arkansas, more particularly described in the annexed Exhibit A (the Property). Grantor and Grantee agree that if Grantor receives a bona fide offer from a third party for the purchase of all or any part of the Property, which offer Grantor is willing to accept, Grantor will give Grantee written notice thereof, and will send Grantee a copy of the proposed contract of sale to such third party. Grantee shall the right for thirty (30) days after the receipt of such notice to enter into a contract for the sale of the Property at the same price and on the same terms as contained in the proposed contract of sale to the third party, which right of Grantee shall be paramount to the rights of the third party. If Grantee fails to exercise any such preemptive right within the time herein specified, Grantor shall be at liberty to enter into a contract for the sale of the Property with the third party at the same price and on the same terms as contained in the proposed contract of sale sent to Grantee.

2. Term of Right of First Refusal. This right of first refusal shall continue in effect until the conveyance of the Property in fee simple to Grantee or to a third party pursuant to the right of first refusal described above. If the Property is not conveyed in fee simple to Grantee or to a third party pursuant to the right of first refusal described above, the right of first refusal shall expire one (1) year from the date of execution hereof . Upon the termination of this right of first refusal, either by a conveyance of the Property or by expiration, Grantee shall deliver to Grantor a signed and acknowledged document stating that this right of first refusal has terminated and that Grantee expressly relinquishes all rights under this right of first refusal agreement.

3. Grantor's right to Encumber and Lease. Notwithstanding anything to the contrary contained in this agreement, Grantor shall have the right during the term of this right of first refusal to mortgage or otherwise encumber the Property and to grant leases for all or parts of the Property, as Grantor sees fit.

4. Warranty of Title. Grantor warrants and represents that Grantor is the sole owner of good, fee simple, marketable title to the Property and has full authority to grant this right of first refusal.

5. No Assignment by Grantee. Grantee may not assign its rights under this right of first refusal agreement. Any direct or indirect assignment of Grantee's rights under this agreement shall automatically terminate this right of first refusal and all of Grantee's rights hereunder.

6. Broker. The parties warrant and represent that no broker brought about or participated in this right of first refusal agreement or transaction. Grantee shall indemnify and hold Grantor harmless against all liabilities and expenses (including, without limitation, reasonable attorneys' fees) arising from any claims for brokerage on this transaction based on any act of Grantee. The warranties, representations and agreements contained in this paragraph shall survive any conveyance of the Property pursuant to this right of first refusal agreement.

7. Binding Effect. This right of first refusal shall be binding upon and inure to the benefit of the parties and their respective representatives, successors and assigns.

8. Headings. Headings in this agreement are for convenience only and shall not be used to interpret or construe its provision.

9. Governing Law. This agreement shall be governed by and construed in accordance with the laws of the State of Arkansas.

10. Counterparts. This agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

11. Entire Agreement. This agreement supersedes all prior agreements between the parties with regard to the subject matter hereof, and there are no other understandings or agreements between them. This agreement can only be modified by a written instrument signed by both Grantor and Grantee.

12. Notices and Correspondence. All notices and correspondence shall be sent by certified mail, return receipt requested, to the parties hereto at the following addresses:

If to Grantor to: P.O. Box 849  
Fayetteville, AR 72702

If to Grantee to: 525 South School, Suite 220  
Fayetteville, AR 72701

Either party may change the above address by sending a certified letter, return receipt requested, to the other party setting forth such changed address.

The parties hereto have executed and delivered this agreement the day and year first above written.
