Technology + Learning = The Perfect Marriage !

Fayetteville Public Schools is the FIRST district from the state of Arkansas to have been selected by the National School Boards Association's Technology Learning Network to host a national site visit!

Educators from all across the country will be coming to Fayetteville to learn about our work on 21st Century Learning Initiatives. We are eager to showcase how technology impacts the teaching and learning going on in the classrooms! We are excited to highlight YOUR company as a key partner in helping us build a stronger foundation for education in the 21st century!

The dates are set: Sunday, March 14, 2010 ~ Tuesday, March 16, 2010.

Please help make this exceptional event a huge success! Join us as a key partner and select one or more contribution levels below and mail to the address provided. More Information regarding sponsorship levels is located on the back of this form. We welcome monetary donations or goods/ services in kind for Partner Sponsorships. Contributions in excess of the costs of the site visit will be dedicated to 21st Century Learning Initiatives.

The deadline for contributions is November 1, 2009
