

The Fayetteville Public Schools will provide limited bus service on Tuesday, February 8, 2011.

**LIMITED TRANSPORTATION ROUTES:**

Since our buses are not able to access a limited number of roads in the district, parents may have to drive to a different bus stop than normal. Please see the schedule below for the changes. Our Transportation Department will be available in the morning at 444-3095 for questions about routes.

Here is the list of affected routes:
