Law of PPC (Neil)

Neil provided the committee with information concerning laws of PPC. The committee will have to opportunity to view these laws. Discussion and questions will continue at the February meeting.

Parent Teacher Conferences (LouAnn)

LouAnn reported her findings of the survey:

491 Responses

Elementary Teachers = 26.80%

Middle School Teachers = 13.40%

Junior High Teachers = 10.31%

High School Teachers = 49.48%

9 Week Conferences = 60.61%

6 Week Conferences = 39.39%

Conclusion: The majority of secondary teachers would like to continue with PT conferences at the end of the first 9 weeks and the majority of elementary teachers would like to switch to a 6 week PT conference.

Andrea is going to share these findings with the calendar committee.

SWAP/Flex Hours (LouAnn)

Policy 4131 section e

LouAnn reported that the information sent out in December about the SWAP/Flex hours reported that the available dates and times for the 12 hours of PD are online. After viewing the times given, adjustments need to be made. The amount of time listed amounts to a total of 15 hours between the two days. Greg will speak with Dr. Garrett and Kay Jacoby about finding a solution to this problem.

Another concern is that some teachers are required to attend additional trainings (APSI, PLTW, etc), however they are not being allowed to use those trainings as SWAP. Review of section e in the policy needs to be discussed and more clarification about why some required trainings are allowed for SWAP and others are not.
