IV. Open Issues

- AESOP- Greg will talk to Tech to confirm that they will be able to check on status of pending PD requests should an approval be needed from various sources. Other than that, if teachers do not hear from administrators, it is their responsibility to follow up.
- Transition- Mrs. Garrett described the changes that would be made at the Jr. High levels including new “exploratory” classes that would last 9 weeks in preparation for 8th grade semester or year-long classes. There are around 12 different courses being added with several emphasizing Science, Technology, Engineering, Architecture, and Math (STEAM). Transition FAQ’s are continually updated so teachers should check them regularly.
- Calendar- Dr. Colbert presented the two calendars to be voted on for the 2015-2016 school year. Several questions were discussed and the final drafts will be sent out the second week in December. The board will vote on the calendar on December 18th.

V. New business

- Dr. Hewitt visited the PPC meeting and suggested a revision to Policy 6.7 – Patron Complaint and Problem Resolution. He requested that the PPC Committee look at suggestions of requiring a protocol and Patron Complaint Procedure Form. Suggestions for revisions were made and will be discussed at the January 5th meeting.
